

# Our Services

We believe our customers are our most valuable assets, therefore we are passionate about delivering the results you expect with creativity that will make each of our customers projects stand out. We are a team with diverse strengths put together to achieve common goals.

## Logo Design

We can create Corporate Identities retouch your current logo or design a new one for you that captures the essence of your company.

## Printed media Design

Our experienced design team is capable of creating amazing designs and layouts where Images and graphics are tailored to create great impact on any printed media.

## Web Design

Here at ABBA Design, we are proud of being the home of Domainskillet. The neat thing, which makes our web design services unique, is that we can design your site, create your graphics, and much more to help you represent your company the way you have envisioned it to be showcased. We also provide our customers the option of selecting templates that are optimized for Today's web search engines and devices.

## Web Hosting

A Domain name tells a lot about your company and it gives instant credibility, Here you can find the perfect name for your web site and other services such as SSL certificates and e-mail accounts. If you are interested in purchasing a domain or transferring one over to our company. Please visit [www.domainskillet.com](http://www.domainskillet.com).

Isn't that great! Do we stop there no way!! We also offer professional mobile web sites and professional e-mail!!!

## Embroidery

We take pride in our embroidery service for the reason that we have state of the art digitalized computer operated embroidery machines. These machines never fail to impress, due to their precise execution to matching what they are instructed to execute!

## Screen Printing

We can help you make your screen printing idea or project come to life & make it have that attractive Professional touch & quality like the stuff that you see in department stores! Give us a call or stop by our store!

## Banners

We are a one stop design center when it comes to banners! You might be thinking, what does that mean? Well by that we mean that you can provide us with all the information and art work or we can do the art work for you and not only can we do that in house, but we can also print your banner at our shop as well, which helps keep a few extra bucks in your pocket!

## We make signs!

We can help you capture the essence of your company by incorporating our unique sign designs and customized skills! Our signs help create an identifiable presence in your targeted audiences minds!
